

Rouse Hill Rhinos Sponsorship Program 2025

To Whom It May Concern,

Rouse Hill Rhinos partners with local businesses in the Community via our Sponsorship Program to assist us in growing a successful Junior Rugby League Football Club. Unlike some of the bigger clubs that have the financial support of a Leagues Club behind them, we rely on our community sponsorship to help us grow and provide the best experience for our players.

By way of background, Rouse Hill Rhinos has been the fastest growing Junior Rugby League Club in the Hills District. Beginning with just 9 teams registered in the Parramatta District Competition in 2007, last year we fielded 32 teams approx. 500 players and over 150 officials. We have teams in all ages and offer multiple division's from Under 6's to Under 21's and play in the Parramatta District Competition as well as travel to various grounds within the District.

In 2024 we took ownership of our brand-new Home Ground, located at Samantha Riley Drive Reserve in North Kellyville and our club is the only club in the Parramatta District to host 4 International playing fields in one location. We aim to provide a fun and friendly environment for all and are proud of the club we have built and strive every year to make it bigger and better.

The Rhinos believe in a visible and active presence within our community which has helped us to attract sponsorships which financially assists the supply of jerseys, shorts and training equipment and upgrades to our facilities.

We have a full range of Sponsorship Packages (see 2025 Sponsorship Package Proposal) with various inclusions available at different price points to suit a range of budgets. Your sponsorship investment gains you access to all our social media outlets with a potential reach of over 3000 people weekly through our Website, Facebook, Instagram and Rhinos App.

Thank you for considering a Sponsorship Package with the Rouse Hill Rhinos, you can have confidence your sponsorship will help us grow and deliver the best experience for our players and Community. We look forward to working with you to find the package that best meets your needs.

Sincerely,

The Rouse Hill Rhinos Committee
